Dear Paul

I am writing to you on behalf of a number of constituents who are concerned about the future of the Ramsay Centre at the Horton General Hospital.

My constituents are particularly worried about the future of the centre, and whether it will continue to operate in its current format. I have also been made aware of a number of concerns about the future of jobs in the centre.

I would be most grateful for your comments on this matter, and in particular, clarification on the future of the Ramsay Treatment Centre.

*Yours
Victoria*

Victoria Prentis MP
