Dear David

As you know, liaising with neighbouring Clinical Commissioning Groups about the plans set out in the Transformation Programme is something that both I and other Members of Parliament have expressed concerns about throughout the process.

I have today heard from a councillor in Warwickshire who was hoping to meet you as part of the HOSC meeting last week. I understand they invited you to the meeting but did not receive a reply. Your counterpart from South Warwickshire, Gillian Entwistle, attended.

I further understand that you are going to meet Gillian Entwistle for the first time next Tuesday. In these circumstances, can you reassure me, all my constituents and those living in the surrounding area that sufficient work has been done with your counterparts outside Oxfordshire on what is being proposed, particularly if the suspension of the obstetric unit at the Horton becomes permanent.

Yours

Victoria
